Waterman's Association Tree Lighting

December 3 @ 6:00 pm - 8:00 pm

A ceremonial tree lighting, hosted by the Queen Anne's County Watermen's Association, will take place the evening of December 3, 2022. This year the tree will remain lit through the last week in January so visitors and residents may take their photos with the tree throughout the holiday season. A holiday-themed event will also take place around the tree from 2 p.m.- 6 p.m. the day of the lighting. The event will feature a holiday arts and crafts fair, hot beverages, and a visit from Santa.

The tree lighting ceremony will begin at 6:00 p.m. with the actual lighting taking place at 6:30 p.m. The event will be live streamed on QACTV.

CHRISTMAS COOKIE RECIPE

M&M Magic Bars

This quick and easy bake-sale classic goes over the top for the holidays — we've loaded the bars with your favorite Christmas candies.

Ingredients

1 stick (8 tablespoons) unsalted butter, melted, plus more for buttering the dish

14 chocolate graham crackers

One 14-ounce can sweetened condensed milk

One 10-ounce bag mint chocolate chips

1 cup cocktail peanuts, coarsely chopped

2 cups mini marshmallows

1/2 cup red and green candy-coated chocolates, such as M&M's

1/2 cup coarsely chopped candy canes

1/4 cup red and green sprinkles

Directions

Position an oven rack in the center of the oven and preheat to 350 degrees F. Line a 9-by-13-inch baking dish with foil, leaving a 2-inch overhang on both sides. Butter the foil.

Pulse the graham crackers into fine crumbs in a food processor. Add the melted butter and pulse to combine (the mixture should hold together when squeezed). Transfer the mixture to the prepared baking dish and press it into the bottom in an even layer, using the bottom of a measuring cup to help. Pour the sweetened condensed milk over the crumbs. Sprinkle the chocolate chips, peanuts, marshmallows, M&M's, candy canes and sprinkles over the condensed milk.

Bake until the sides are golden brown and begin to pull away from the baking dish, 30 to 35 minutes. Let cool completely, about 1 hour. Using the foil liner as handles, lift the bars out of the baking dish; remove the foil. Cut into 24 bars.
